MASTERCLASSES

Editing and Finessing an Edit with Cenk Kaptan

Join filmmaker, producer, educator and director Cenk for a practical and engaging webinar exploring the Edit page in DaVinci Resolve.

Cenk will share essential editing techniques, workflows and practical insights from his career in film. His most recent film, *Sen Kimsin? (Who Are You?)*, was selected as a finalist at Turkey's prestigious Golden Orange Film Festival.

The session will give students an authentic insight into the craft of editing and what it's like to work in the film industry, combining practical skills with real-world experience.
